

One True God

You're the God of the falling fire.
You're the God of the coming rain.
You're the God of the gentle whisper –
Surely You are,
Surely You are

Chorus:

The one true God –
Strong yet beautiful,
Just yet merciful,
Proving Yourself to be
The one true God –
Never changing, but
Still mysterious
The infinite, yet intimate God.

You're the God of the humble manger.
You're the God of the healing word.
You're the God of the blood and water,
Surely You are,
Surely You are
(chorus)
