

**Have Mercy on Me, O God (Psalm 51)**

From my mother's womb I was a sinner.  
Against You alone I have done evil.  
Surely you desire truth and wisdom,  
But I turned away, I hid my face.

Purge me and I will be clean,  
Wash me and I will be whiter than snow.

**Chorus:**

**Have mercy on me, O God!**  
**According to Your love,**  
**According to Your faithful love,**  
**Have mercy on me, O God!**  
**Wash my transgressions,**  
**Cleanse me from all my sin.**

I am so ashamed my rebellion.  
Don't cast me away, away from Your presence.  
Restore to me the joy of Your salvation -  
Open my mouth and I'll sing your praises.

Here is my offering to You -  
I bring the song of a broken heart.  
(chorus)
