

We Will Arise

Because of His matchless love,
Because of His healing touch,
His glory displayed in His perfect ways,
We will arise.

Because of His Son, the Christ,
Because of His sacrifice,
Because He's erased, our guilt with His grace,
We will arise.

Chorus:
So arise all you children of God,
Lift your eyes and humble your hearts.
He alone is deserving, worthy of praise,
So arise, O saints, arise.

Because of that promised day,
When we finally see His face,
And bow at His throne, because of that hope,
We will arise.
