

## **You Are There**

If I go up to the heavens,  
Or make my bed in the depths,  
If I rise on the dawn's wings,  
Or make my home on the ocean shore,

Chorus:

You are there, You are there,  
You are there.  
Father, Son, and Holy Spirit,  
Living God, You are there.

If I say, "The dark will hide me  
And the light be like the night"  
Even darkness will shine like daylight,  
For the dark is like light to You.  
(chorus)

I can pray because You bought me,  
And your Spirit dwells within,  
And on that mountain, You made a promise  
That no matter where I am, (chorus)
